*The Camp at Auburn:*

[Auburn is at the southern end of Clare Valley](#), it is a comfortable 2-hour 125km drive from Adelaide.

Head east from Auburn on **Ford road** (signed to "Saddleworth") the [camp and sports grounds](#) are on south side of road near the first sweeping bend.

The Camp has No Cabin Accommodation, this location is definitely tents, caravans and motor homes. On the outskirts of Auburn within the large sports ground complex, well away from the road is a delightful caravan park with **eight powered sites** – so book early. These roomy sites are all on level green grass under shady trees and a quiet location. Power outlets and taps close to each site. Well maintained amenities Toilets, Showers, Kitchen, laundry. Shower cubicles are large with a good dressing area. Water pressure and hot water supply good. Night light outside amenities block Telephone caretaker **0417 550 781** who will allocate a site, collect fees and provide keys to amenities. **Powered \$25 and unpowered \$18 (February 2018.)** Pets permitted.

If you want Accommodation (*because you don't like tents, you don't own a caravan but you like Alan's country rides*)

- There are several good quality [Cottages and Motels available](#) in Auburn
- Or two riders sharing a twin or double room in the [Rising Sun Hotel](#) for Friday night and Saturday night will cost \$100 each.
