

In Dreams (Roy Orbison)

C **Am**

A candy-coloured clown they call The Sandman

Dm **G**

Tiptoes to my room every night

C **Am**

And just to sprinkle stardust and to whisper

F **G7** **C**

Go to sleep, everything is all right

C **Dm**

I close my eyes, then I drift away

G **G7** **C**

Into the magic night... I softly say

C **Dm**

A silent prayer like dreamers do

G **G7** **C**

Then I fall asleep to dream... my dreams of you

C **Am** **G** **G7** **F** **G** **C**

In dreams, I walk, with you..... in dreams I talk to you

D7 **C** **Dm**

In dreams you're mine, all of the time we're toge...ther

G **C** **Dm** **G7**

In dreams, in dreams

C **Fm** **C** **C** **Fm** **C**

But just before the dawn... I awake and find you gone

C **Dm**

I can't help it, I can't help it, if I cry

G **G7** **C**

I remember that you said goodbye

C **F** **G** **G7** **C** **F** **G** **G7**

It's too bad that all these things....can only happen in my dreams

C **Cmaj7** **D7** **Dm** **G** **C**

On...ly in dreams... in beau...tiful dreams.
