C G
Well look who it is, fancy meeting you suddenly
C
Well look who it is, I can see you remember me.
F C
Yes I'm the one who believed I just didn't need you then started feeling blue
C Am F G C Am F G
Look who it is, it's me and I still love you
C G
Well look who it is, did you think I've forgotten you
G C
I realize, that you may have found someone new
F C
but i just cannot pretend that I haven't missed you, why did I let you go
C Am F G C
Look who it is, it's me and I love you so

G C G C
Baby now I realize, I have made a big mistake
G C
There are tear drops in my eyes
D G G7
And my heart is about to break

C G
Well look who it is, with his hand reaching out for mine
G C
Well look who it is, everything's going to turn out fine
F
oh I have waited so long and prayed that I'd meet you,
C
you with all your charms,
