The ride routes are published in the [SARCC RWGPS Collection](#).

On arrival day Monday 30<sup>th</sup> October we will meet at the BBQ in the recreation area behind reception at 6pm. [Alivio map is available here](#). There will be a short meeting at 6pm each day to discuss next day's rides and leaders.

We are looking for **volunteers to lead rides** so please let Sven or Kevin know if there is a particular ride that you would like to lead. Each day there is a long and short ride. At the meeting put your name and phone number on the list for the ride you want to do the next day. Note the start time and location.

On Thursday 2<sup>nd</sup> November those interested can ride as a group to the Australian War Memorial for the Last Post ceremony. This starts at 4:30pm and finishes at 5:15pm. You will need to book online (it is free!) <https://www.awm.gov.au/commemoration/last-post-ceremony>

On the Sunday evening we will book in to a local Canberra eatery for those who want to celebrate a great week of cycling, sightseeing and scenery.
