

## Sunday Pleasure Ride Victoria Square 10<sup>th</sup> November 2024

Today 10<sup>th</sup> November a small group of 4 riders enjoyed a very pleasant ride of 38km. Starting at Victoria Square we rode along bike tracks and quiet roads to Panorama. Then across westwards to join the Sturt drain linear park through Oakland's wetlands and having lunch at Camden Oval.

We rode back along the western bikeway to have coffee at Troppos.

A great ride with pleasant company.

Thanks to Peter who led the ride.

The Sunday rides are always fun not too challenging but interesting and at a reasonable speed. A good way to spend a Sunday.

Details of future rides are on the SARCC website.
